# A bit about me...

Hey! My name is Alex and I am a Melbourne based photographer specialising in portraiture and events.

I have been shooting professionally both locally and internationally for the last 5 years, and I absolutely love it! My approach is natural, laid back and fun. I like to interact with eventgoers to get them at their most relaxed, however I also enjoy being a fly on the wall in order to capture those special candid moments.

I believe that I have a natural affinity with people of all ages and backgrounds, adapting to any environment that I am thrown into. From documenting the little details, to getting everyone together for a big group shot, my skillset covers everything. My aim every time is to provide my clients with a collection of fun and vibrant photos that capture the celebratory spirit on their special day.

Have a look through some of my favourite event shots, and feel free to get in touch with any questions!
